**S. B. Patil**  
Director

The diligent and pragmatic approach towards every unit delivered has gained Ganesh Constructions the trust and appreciation of its customers. From the very beginning we have believed in the core values of construction and have executed the same till date. A happy and content client base, relaying on us, is indeed an asset.

**Ganesh S. Patil**  
Director

## DIRECTOR DESK

## Company Overview

GANESH CONSTRUCTIONS is a team that is grounded to a solid foundation of excellence. Actively engaged in property development for more than 20 years, We have now set new benchmarks in quality, service and delevarance.

A rich Portfolio of many successfully completed projects in PCMC area, and other new exciting ventures on the drawing board authenticate our proclamation. Sensible site selection, in-depth planning, smart architecture and superb construction are the characteristics of each of our projects which cater to client needs. Not only this but also value for consumer's money is our guiding principle. However, more supreme than anything else is our commitment to our clients **"WE DELIVER WHAT WE PROMISE."**

...Future Prospects

## (B) : ON GOING PROJECTS

### God's County: Phase II

Located about a kilometer away from the Divine Temple of Alandi, God's County is a home for over 180 happy families. Spread in a vast area, it brings along a blend of serenity and civilization. It carries all the prime aspects a project should necessarily have- location, systematic planning and sound Civic infrastructure along with quick access to other parts of the city as an added advantage. Thus, it can be affirmed that Families at God's County enjoy an unmatched standard of living now and in the years to come.

## Ganesh Siddhi

Nothing could be more enticing than quality construction combined with super prime location. Situated in the most promising location of PCMC, Ganesh Siddhi offers you a perfect place to live in with a society of 400 flats which is proposed to expand in the near future and beautiful lush green landscape view far from noise and traffic. These spacious apartments, constructed to ensure comfortable living, are surrounded by renowned schools, industrial and manufacturing sector. Owing to excellent roadways, both existing and proposed, the connectivity avenue of the location has improvised. All modern amenities, ample provision for security, stability, recreation and relaxation are an added advantage, so one can sit back and build memories. Solid construction with sensitive approach that perfectly matches your budget is the kind of deliverance offered by us.

# THANK YOU!
